

### **Chatterton River – Woodbank Road track – 1.5 hr return**

This track leads from the Rogerson Track on the right hand bend in Jacks Pass Road, past the Hammer Hardware store. Follow the gravel track 50 m through a gateway. Turn left onto a grassy track which will lead to a small ford. The track follows down the true left of the Chatterton River, climbing out of the river bed to the left before going underneath the water supply pipeline. Follow down as far as Woodbank Road before making your way back to Jacks Pass Road via Argelins Road..
